## INFLATABLE AIR PILLOW SYSTEM

### THINK INSIDE THE BOX!

Securely brace your products during transit. Ship clean, professional-looking packages using IPG's AP7000 Inflation Air Pillow System.

This easy-to-use system allows you to quickly produce convenient, cost-effective void fill on-demand. Air Pillows are lightweight, perforated for easy separation and made of non-abrasive poly which will not scratch the surface of your product. They are reusable and recyclable. The AP7000 delivers high-speed, cost-effective void fill packaging to your business.

#### IPG® AIR PILLOW FILM

- 8"x4", 8"x5", 8"x8" and 8"x12" stocked air pillow sizes
- 2000', 2900' and 4000' length rolls available
